Form No. MR-3

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

The Members,

Nuvama Clearing Services Limited

(formerly known as Edelweiss Custodial Services Limited) 801 to 804 Wing A Building No 3 Inspire BKC G Block BKC Bandra (East) Mumbai MH 400051 IN

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Nuvama Clearing Services Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder¹;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

¹ Not applicable to the company during the audit period

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011²;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018³;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014⁴;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021⁵;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client⁶;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021⁷:
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 20188;
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 20159; and
- (vi) Other laws as may be applicable specifically to the Company, namely:
 - (i) SEBI (Stock Brokers & Sub Brokers) Regulations, 1992, and the Circulars issued by SEBI thereunder,
 - (ii) The Byelaws, Rules, and Circulars issued by Stock Exchanges of which the Company is the member;

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the

ANNEXURE A

The Members,

Nuvama Clearing Services Limited

(formerly known as Edelweiss Custodial Services Limited) 801 to 804 Wing A Building No 3 Inspire BKC G Block BKC Bandra (East) Mumbai MH 400051 IN

Our report of even date is to be read along with this letter.

- Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
- We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
- 4. No audit has been conducted on the compliance with finance and taxation laws as the same are subject to audit by the Statutory Auditor and Internal Auditor to the Company and their observations, if any, shall hold good for the purpose of this audit report.
- Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
- 6. The compliance with the provisions of Corporate and other applicable laws rules, regulations the responsibility of management, our examination was limited to the verification of procedures on test basis.
- 7. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Page 4 of 6

- Audit of the compliance with Other Laws has been undertaken based on scope of audit and the applicability of such Laws as ascertained by the Company and informed to us.
- We have relied on reports of Internal Audit, Regulatory Inspection/Audit to the extent made available to us and the observations, if any, contained in such reports shall hold good for the purpose of this audit report.
- 10. NSE Clearing Limited ("NCL") had conducted regular inspection on the Company for the period January 01, 2018 to June 30, 2020. During the audit period, NCL issued Show cause notice and sought clarifications on certain points vide letter September 22, 2022 which were responded by the Company on October 14, 2022. Further Company has received supplementary show cause notice on October 25, 2022 and the same was responded by the Company on December 13, 2022. MCSGFC committee of NCL has vide its letter dated March 31, 2023 gave its decision on the matter and proposed to levy a penalty of Rs 25 lakhs. The Company has filed an appeal before SAT on May 11, 2023 which was heard on June 08, 2023, and the SAT has directed to deposit the penalty amount with NCL which will be subject to the result of the captioned appeal. NCSL has deposited the said amount with NCL. This matter is currently pending for hearing before SAT
- During the audit period, NCL had also sought clarifications on certain points vide letter June 22, 2022, in connection with a joint inspection with Securities and Exchange Board of India (SEBI) for the period April, 2020 to December, 2021, and the same has been responded by the company on July 04, 2022. Consequent to the proceedings conducted thereon, a penalty of Rs. 7,50,000 + GST was levied on the company.
- 12. There have been other investigations/ inspection conducted during the earlier years, for which actions are pending from stock exchanges/ SEBI/ SAT. However, we have been informed that during the audit period there have been no specific developments on such investigation/ inspections.

INDEPENDENT AUDITOR'S REPORT

To the Members of Nuvama Clearing Services Limited (formerly Edelweiss Custodial Services Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Nuvama Clearing Services Limited (formerly Edelweiss Custodial Services Limited) ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the financial statements and our auditor's report thereon

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial

Chartered Accountants

position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
 of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Chartered Accountants

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Note 2.35 to the financial statements;

Chartered Accountants

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 2.51 (iv) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 2.51 (v) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The interim dividend declared and paid by the Company during the year is in accordance with section 123 of the Act.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.

Annexure 1 referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: Nuvama Clearing Services Limited (formerly Edelweiss Custodial Services Limited) ("the Company")

The Information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i)	(a) (A)	The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
	(a) (B)	The Company has maintained proper records showing full particulars of intangible assets.
	(b)	The Company has a regular programme of physical verification of its property, plant and equipment and are verified by the management according to a phased programme designed to cover all the items over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with the policy, the Company has physically verified certain property, plant and equipment during the year and no discrepancies were noticed in respect of assets verified during the year.
	(c)	The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
	(d)	The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2023.
	(e)	There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
(ii)	(a)	The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.
	(b)	The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
(iii)	(a)	During the year, the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.
S.C.	(b)	During the year the investments made, guarantees provided, the terms and conditions of the grant of all loans and guarantees to companies and other parties are not prejudicial to the Company's interest.

S.R. BATLIBOI & Co. LLP Chartered Accountants

	(c)	The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.
	(d)	The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.
	(e)	There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(e) of the Order is not applicable to the Company.
	(f)	The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
(iv)		The Company has not advanced loans to directors / to a Company in which the director is interested to which provisions of section 185 of the Companies Act 2013 apply and hence not commented upon. The Company has made investments/ given loans /guarantees/ provided security which is in compliance to the provisions of section 186 of the Companies Act 2013.
(v)		The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
(vi)		The Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the products/services of the Company.
(vii)	(a)	The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable, are as follows:
		There has been a delay in depositing provident fund dues under the Provident Fund and Miscellaneous Provisions Act, 1952 of an amount of Rs. 0.09 million pertaining to the period from April 01, 2022 to March 31, 2023. The due date for depositing this amount is 15th of the following month to which they pertain. As represented by the Company, the delay in the deposit of provident fund within the stipulated time as the Aadhaar number of the new employees could not be linked to their UAN as per the government norms. Further, the Company is making the efforts to pay the amount and resolve the matter.
		As informed, the provisions of sales tax, wealth tax, value added tax, excise duty and customs duty are currently not applicable to the Company.

S.R. BATLIBOI & CO. LLP Chartered Accountants

	(b)	There are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, goods and service tax and other statutory dues which have not been deposited on account of any dispute.
		As informed, the provisions of sales tax, wealth tax, value added tax, excise duty and customs duty are currently not applicable to the Company.
(viii)		The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
(ix)	(a)	The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
	(b)	The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
	(c)	The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.
	(d)	On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
	(e)	The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
	(f)	The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
(x)	(a)	The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
	(b)	The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
(xi)	(a)	No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
***************************************	(b)	During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
8	(c)	As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

S.R. BATLIBOI & CO. LLP Chartered Accountants

(xii)		The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.
(xiii)		Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
(xiv)	(a)	The Company has an internal audit system commensurate with the size and nature of its business.
	(b)	The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
(xv)		The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
(xvi)	(a)	The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
	(b)	The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
	(c)	The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
	(d)	As at March 31, 2023, there are no Core Investment Company as part of the Group.
(xvii)		The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year respectively.
(xviii)		There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
(xix)		On the basis of the financial ratios disclosed in note 2.47 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due

Chartered Accountants

		within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
(xx)	(a)	There are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 2.44 to the financial statements.
	(b)	There are no unspent amounts that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. This matter has been disclosed in note 2.44 to the financial statements.

Annexure 2 to the Independent Auditor's report of even date on the financial statements of Nuvama Clearing Services Limited (formerly Edelweiss Custodial Services Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Nuvama Clearing Services Limited (formerly Edelweiss Custodial Services Limited) ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

MUMBAL

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies

S.R. Batliboi & Co. LLP

Chartered Accountants

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1. Significant accounting policies

1.1 Company background:

Nuvama Clearing Services Limited [Formerly known as Edelweiss Custodial Services Limited] ('The Company') was incorporated on 16 October 2008 having CIN U51109MH2008PLC187594. The registered office of the company is located at Tower 3, Wing B, Kohinoor City Mall, Kohinoor City, Kirol Road, Kurla (West), Mumbai- 400070.

PAGAC Ecstasy Pte. Limited is the Ultimate Holding company.

The Company is a Professional Clearing Member (PCM) of National Securities Clearing Corporation Limited (NSCCL) and Indian Clearing Corporation Limited (ICCL). The Company is also a SEBI registered custodian of securities who settles trades of clients and maintains a record of client holdings and monitors receipt of corporate action benefits to eligible clients. Other services provided include fund accounting services. (*Refer* note 2.46 for discontinued operations of Custody business.) Company invests in fixed deposits & other highly liquid callable instruments as part of its treasury activities.

1.2 Basis of preparation and presentation of financial statements:

The financial statements have been prepared in accordance with Indian Accounting Standards (referred hereinafter as 'Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III).

The Company's financial statements have been prepared on a historical cost basis, except for certain financial instruments such as financial asset measured at fair value through other comprehensive income (FVOCI) instruments, derivative financial instruments, and other financial assets held for trading, which have been measured at fair value. The Company's financial statements are presented in Indian Rupees (INR).

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- 1. The normal course of business
- 2. The event of default
- 3. The event of insolvency or bankruptcy of the Company and/or its counterparties

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.2 Basis of preparation and presentation of financial statements:

The Company classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use.

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Costs to sell are the incremental costs directly attributable to the disposal of an asset (disposal group), excluding finance costs and income tax expense.

The criteria for held for sale classification is regarded as met only when the sale is highly probable, and the asset or disposal group is available for immediate sale in its present condition. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale and the sale expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale classification is regarded met only when the assets or disposal group is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets (or disposal groups), its sale is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale of the asset or disposal group to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset (or disposal group),
- An active programme to locate a buyer and complete the plan has been initiated (if applicable),
- The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Property, plant and equipment and intangible are not depreciated, or amortised assets once classified as held for sale.

Assets classified as held for sale are presented separately from other items in the balance sheet.

A disposal group qualifies as discontinued operation if it is a component of an entity that either has been disposed of, or is classified as held for sale, and:

Represents a separate major line of business or geographical area of operations,
 Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations

Or

- Is a subsidiary acquired exclusively with a view to resale

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

Additional disclosures are provided in Note 2.46. All other notes to the financial statements mainly include amounts for continuing operations, unless otherwise mentioned.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.3 Use of estimates

The preparation of the financial statements requires management to make certain estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported revenue and expense during the reporting period. Actual results could differ from the estimates.

1.4 Revenue recognition:

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognized when (or as) the Company satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation. The Company applies the five-step approach for recognition of revenue:

- i. Identification of contract(s) with customers;
- ii. Identification of the separate performance obligations in the contract;
- iii. Determination of transaction price;
- iv. Allocation of transaction price to the separate performance obligations; and
- v. Recognition of revenue when (or as) each performance obligation is satisfied.

Revenue recognition for different heads of Income are as under:

- Fee income includes fees for clearing services, custody fees & fund accounting. The right to receive
 the clearing fees arises when the trade is executed and a valid contract is generated for the
 trade. All types of fee income is accounted for, on an accrual basis in accordance with the terms
 and contracts entered into between the Company and the counterparty.
- Interest income is recognised on accrual basis of accounting.
- Profit / loss earned on sale of investment is recognised on trade date basis. Profit / loss on sale of
 investments is determined based on the weighted average cost of the investments sold.
- Dividend income is recognised when the right to receive payment is established.
- Trade exposure charges are recognised on accrual basis.

1.5 Financial instruments:

Date of recognition

Financial assets and financial liabilities, except borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. This includes regular way trades; purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Borrowings are recognised when the funds are available for utilisation.

Initial measurement of financial instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.5 Financial instruments: (Continued)

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Day 1 profit or loss

When the transaction price of the financial instrument differs from the fair value at origination and the fair value is based on a valuation technique using only inputs observable in market transactions, the Company recognises the difference between the transaction price and fair value in net gain on fair value changes. In those cases where fair value is based on models for which some of the inputs are not observable, the difference between the transaction price and the fair value is deferred and is only recognised in statement of profit and loss when the inputs become observable, or when the instrument is derecognised.

Classification of financial instruments

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The changes in carrying value of financial assets is recognised in profit and loss account.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The changes in fair value of financial assets is recognised in Other Comprehensive Income.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. The Company measures all financial assets classified as FVTPL at fair value at each reporting ate. The changes in fair value of financial assets is recognised in Profit and loss account.

Amortized cost and effective interest rate (EIR)

The effective interest rate is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period.

For financial instruments other than purchased or originated credit-impaired financial assets, the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses, through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.5 Financial Instruments (Continued)

For purchased or originated credit impaired financial assets, a credit-adjusted effective interest rate is calculated by discounting the estimated future cash flows, including expected credit losses, to the amortised cost of the debt instrument on initial recognition.

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand, the gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

Financial assets held for trading

The Company classifies financial assets as held for trading when they have been purchased or issued primarily for short-term profit making through trading activities or form part of a portfolio of financial instruments that are managed together, for which there evidence of a recent pattern of short-term profit is taking. Held-for-trading assets and liabilities are recorded and measured in the balance sheet at fair value.

Financial assets at fair value through profit or loss

Financial assets and financial liabilities in this category are those that are not held for trading and have been either designated by management upon initial recognition or are mandatorily required to be measured at fair value under Ind AS 109. Management only designates an instrument at FVTPL upon initial recognition when one of the following criteria are met. Such designation is determined on an instrument-by-instrument basis.

- The designation eliminates, or significantly reduces, the inconsistent treatment that would otherwise arise from measuring the assets or liabilities or recognising gains or losses on them on a different basis; Or
- The liabilities are part of a group of financial liabilities, which are managed and their performance evaluated on a fair value basis, in accordance with a documented risk management or investment strategy; Or

Financial assets at fair value through profit or loss (Continued)

The liabilities containing one or more embedded derivatives, unless they do not significantly modify
the cash flows that would otherwise be required by the contract, or it is clear with little or no
analysis when a similar instrument is first considered that separation of the embedded derivative(s)
is prohibited.

Financial assets and financial liabilities at FVTPL are recorded in the balance sheet at fair value. Changes in fair value are recorded in profit and loss with the exception of movements in fair value of liabilities designated at FVTPL due to changes in the Company's own credit risk. Such changes in fair value are recorded in the Own credit reserve through OCI and do not get recycled to the profit or loss. Interest earned or incurred on instruments designated at FVTPL is accrued in interest income or finance cost, respectively, using the EIR, taking into account any discount/ premium and qualifying transaction costs being an integral part of instrument. Interest earned on assets mandatorily required to be measured at FVTPL is recorded using contractual interest rate.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.5 Financial Instruments (Continued)

Disclosure requirement of Ind AS 107-Financial Instruments:

Investment in equity instruments

The Company subsequently measures all equity investments (other than subsidiaries, associates and joint ventures, group companies) at fair value through profit or loss, unless the management has elected to classify irrevocably some of its strategic equity investments to be measured at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. Such classification is determined on an instrument-by-instrument basis. Investments in subsidiaries are carried at amortised cost.

Financial liabilities

All financial liabilities are measured at amortised cost except loan commitments, financial guarantees, and derivative financial liabilities.

Financial liabilities and equity instruments

Financial instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Reclassification of financial assets and liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. The company didn't reclassify any of its financial assets or liabilities in current period and previous period.

Derecognition of financial assets and financial liabilities

Derecognition of financial asset

A financial asset (or, where applicable a part of a financial asset or a part of a group of similar financial assets) is derecognised when the rights to receive cash flows from the financial asset have expired. The Company also derecognises the financial asset if it has both transferred the financial asset and the transfer qualifies for derecognition.

The Company has transferred the financial asset if, and only if, either

- The Company has transferred the rights to receive cash flows from the financial asset or
- It retains the contractual rights to receive the cash flows of the financial asset, but assumed a contractual obligation to pay the cash flows in full without material delay to third party under pass through arrangement.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.5 Financial Instruments (Continued)

Pass-through arrangements are transactions whereby the Company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities (the 'eventual recipients'), when all of the following conditions are met:

- The Company has no obligation to pay amounts to the eventual recipients unless it has collected
 equivalent amounts from the original asset, excluding short-term advances with the right to full
 recovery of the amount lent plus accrued interest at market rates.
- The Company cannot sell or pledge the original asset other than as security to the eventual recipients.

The Company has to remit any cash flows it collects on behalf of the eventual recipients without material delay. In addition, the Company is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents including interest earned, during the period between the collection date and the date of required remittance to the eventual recipients.

A transfer only qualifies for derecognition if either:

• The Company has transferred substantially all the risks and rewards of the asset; or

Derecognition of financial asset (Continued)

 The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The Company considers control to be transferred if and only if, the transferree has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions on the transfer.

The Company also derecognises a financial asset, when the terms and conditions have been renegotiated to the extent that, substantially, it becomes a new financial asset, with the difference recognised as a derecognition gain or loss, to the extent that an impairment loss has not already been recorded. The newly recognised financial assets are classified as Stage 1 for ECL measurement purposes, unless the new financial asset is deemed to be POCI.

If the modification does not result in cash flows that are substantially different, the modification does not result in derecognition. Based on the change in cash flows discounted at the original EIR, the Company records a modification gain or loss, to the extent that an impairment loss has not already been recorded.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.5 Financial Instruments (Continued)

The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

Impairment of financial assets

The Company records provisions based on expected credit loss model ("ECL") on all loans, other debt financial assets measured at amortised cost together with undrawn loan commitment and financial guarantee contracts, in this section all referred to as "Financial instrument". Equity instruments are not subject to impairment.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on portfolio of its receivables. The provision matrix is based on its historically observed default rates over the expected life of the receivables and is adjusted for forward-looking estimates. For the receivables which are highly illiquid in nature, the Company may choose to disclose them as Stage III assets considering the liquidity risk around it.

Business model assessment

Classification and measurement of financial assets depends on the results of the 'Solely Payments of Principal and Interest' (SPPI) criterion and the business model test. The Company determines the business model at a level that reflects how group of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the

assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed.

Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price)

regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

Write-offs

Financial assets are written off either partially or in their entirety only when the Company has no reasonable expectation of recovery.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.5 Financial Instruments (Continued)

Determination of fair value

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- · In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarised below:

Level 1 financial instruments:

Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.

Level 2 financial instruments:

Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life.

Level 3 financial instruments:

Those that include one or more unobservable input that is significant to the measurement as whole. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company periodically reviews its valuation techniques including the adopted methodologies and model calibrations.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.5 Financial Instruments (Continued)

Determination of fair value (Continued)

Therefore, the Company applies various techniques to estimate the credit risk associated with its financial instruments measured at fair value, which include a portfolio-based approach that estimates the expected net exposure per counterparty over the full lifetime of the individual assets, in order to reflect the credit risk of the individual counterparties for non-collateralised financial instruments.

The Company evaluates the levelling at each reporting period on an instrument-by-instrument basis and reclassifies instruments when necessary based on the facts at the end of the reporting period.

1.6 Leases:

As a lessee:

The Company has applied IND AS 116 using the modified retrospective approach.

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right of use assets:

The Company recognises a right-of-use asset on the balance sheet at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. The right-of-use assets are also subject to impairment. Refer to the accounting policies in section 1.7 Impairment of non-financial assets.

Lease Liabilities:

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate and amounts expected to be paid under residual value guarantees. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or a rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.7 Property, plant and equipment:

Property, plant and equipment is stated at cost excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value. Changes in the expected useful life are accounted for by changing the amortization period or methodology, as appropriate, and treated as changes in accounting estimates.

Subsequent cost incurred on an item of property, plant and equipment is recognized in the carrying amount thereof when those cost meet the recognition criteria as mentioned above, Repairs and maintenance are recognized in profit or loss as incurred.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives.

Depreciation is provided on a written down value basis from the date the asset is ready for its intended use or put to use whichever is earlier. In respect of assets sold, depreciation is provided upto the date of disposal.

Property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in other income / expense in the statement of profit and loss in the year the asset is derecognised.

The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the estimated useful lives of the respective fixed assets which are as per the provisions of Part C of Schedule II of the Act for calculating the depreciation.

The estimated useful lives of the fixed assets are as follows:

Class of asset	Useful life
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computers and data processing units - Servers and networks	6 years
Computers and data processing units – End user devices, such as desktops, laptops etc.	3 years

Intangible assets

An intangible asset is recognised only when its cost can be measured reliably and it is probable that the expected future economic benefits that are attributable to it will flow to the Company.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.7 Property, plant and equipment (Continued):

Intangible assets (Continued):

Intangible fixed assets are recorded at the consideration paid for the acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

Intangible such as software is amortised over a period of 3 years based on its estimated useful life.

Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

1.8 Investment properties

Investment Properties are properties held to earn rentals and/or capital appreciation and are measured and reported at cost, including transaction costs.

Depreciation is recognised using Written Down method so as to write off the cost of the investment property less their residual values over their useful lives specified in schedule II to the Companies Act, 2013 or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future benefits embodied in the investment property. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/residual value is accounted on prospective basis.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of property is recognised in the Statement of Profit and Loss in the same period.

1.9 Cash and cash equivalents:

Cash and cash equivalents in the Balance Sheet comprise cash at Banks, on hand and short-term deposits with original maturities of three months or less, which are subject to an insignificant risk of changes in value.

1.10 Foreign currency transactions:

The financial statements are presented in Indian Rupees which is also functional currency of the Company. Transactions in currencies other than Indian Rupees (i.e. foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.10 Foreign currency transactions: (Continued)

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

1.11 Retirement and other employee benefits:

The accounting policy followed by the Company in respect of its employee benefit schemes in accordance with Ind- AS 19 – Employee benefits, is set out below:

Provident fund and national pension scheme

The Company contributes to a recognized provident fund and national pension scheme which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognized in the statement of profit and loss.

Gratuity

Every employee is entitled to a benefit equivalent to 15 days salary last drawn for each completed year of service in line with The Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service.

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods. Such benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method which recognises each period of services as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at present values of estimated future cash flows. The discounted rates used for determining the present value are based on the market yields on Government Securities as at the balance sheet date.

Compensated leave absences

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge to the statement of profit and loss and corresponding liability on account of such non-vesting accumulated leave entitlement based on a valuation by an independent actuary. The cost of providing annual leave benefits are determined using the projected unit credit method.

1.12 Share-based payment arrangements:

Equity-settled share-based payments to employees are granted by Edelweiss Financial Services Limited are measured by reference to the fair value of the equity instruments at the grant date. These include Stock Appreciation Rights (SARs) where the right to receive the difference between the SAR price and the market price of equity shares of Edelweiss Financial Services Limited on the date of exercise, either by way of cash or issuance of equity shares of the ultimate parent company, is at the discretion of the ultimate parent Company. These are classified as equity settled share based transaction.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.12 Share-based payment arrangements: (Continued)

The fair value determined at the grant date of the equity-settled share-based payments is expensed over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the 'ESOP reserve'. In cases where the share options granted vest in instalments over the vesting period, the Company treats each instalment as a separate grant, because each instalment has a different vesting period, and hence the fair value of each instalment differs.

1.13 Income tax expenses:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax assets are also recognised with respect to carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

It is probable that taxable profit will be available against which a deductible temporary difference, unused tax loss or unused tax credit can be utilised when there are sufficient taxable temporary differences which are expected to reverse in the period of reversal of deductible temporary difference or in periods in which a tax loss can be carried forward or back. When this is not the case, deferred tax asset is recognised to the extent it is probable that:

- the entity will have sufficient taxable profit in the same period as reversal of deductible temporary difference or periods in which a tax loss can be carried forward or back; or
- tax planning opportunities are available that will create taxable profit in appropriate periods.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.13 Income tax expenses: (Continued)

Deferred tax (Continued)

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

MAT credit asset is recognized where there is convincing evidence that the asset can be realized in future. MAT credit assets are reviewed as at the balance sheet date and written down or written up to reflect the amount that is reasonably certain to be realised.

1.14 Good and service tax expenses:

The entity avails Input Tax credit ('ITC') of GST paid on various expenses incurred. Based on the ratio of exempted turnover v/s taxable turnover of the entity, GST Input Tax credit is being expensed off on a monthly basis to GST Expense a/c. Further, ITC on ineligible expenses (on which ITC is restricted under GST law) is also debited to GST Expense.

1.15 Earnings per share:

The Company reports basic and diluted earnings per share in accordance with Ind-AS 33 - Earnings Per Share. Basic earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

1.16 Provisions and other contingent liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed. Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Notes to the financial statements (Continued)

for the year ended March 31, 2023

(Currency: Indian rupees in million)

1.16 Provisions and other contingent liabilities: (Continued)

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

1.17 Significant accounting judgements, estimates and assumptions:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and the accompanying disclosures, as well as the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

- (a) Actuarial assumptions used in calculation of defined benefit plans
- (b) Assumptions used on discounted cash flows, growth rate and discount rate to justify the value of management rights reported under intangible assets.
- (c) Assumptions used in estimating the useful lives of tangible assets reported under property, plant and equipment.

1.18 Standards issued but not yet effective:

There are no new standards or amendments issued but not yet effective. Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31 March 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

- Ind AS 1 Presentation of Financial Statements This amendment requires the entities to disclose
 their material accounting policies rather than their significant accounting policies. The effective date
 for adoption of this amendment is annual periods beginning on or after 01 April 2023. The Group
 has evaluated the amendment and the impact of the amendment is insignificant in the Company's
 Consolidated financial statements.
- Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors This amendment has
 introduced a definition of accounting estimates' and included amendments to Ind AS 8 to help
 entities distinguish changes in accounting policies from changes in accounting estimates. The
 effective date for adoption of this amendment is annual periods beginning on or after 01 April 2023.
 The Group has evaluated the amendment and there is no impact on its consolidated financial
 statements.
- Ind AS 12 Income Taxes This amendment has narrowed the scope of the initial recognition
 exemption so that it does not apply to transactions that give rise to equal and offsetting temporary
 differences. The effective date for adoption of this amendment is annual periods beginning on or
 after 01 April 2023. The Group has evaluated the amendment and there is no impact on its
 consolidated financial statement.

2.32 Segment reporting

During the year ended March 31, 2023, the underlying businesses of the reportable segments, namely 'Agency business' was reclassified into 2 new reportable segments, namely 'Wealth Management', 'Capital Markets'. The said reclassification of business segments was based on internal review of businesses carried out by the Chief Operating Decision Maker (CODM) post the internal restructuring exercise carried out by the Company. The Managing Director and Chief Executive Officer who is responsible for allocating resources and assessing performance of the operating segments has been identified as the CODM. The Company has now 2 reportable segments, namely: -

Segment	Activities covered
Capital market business	Includes clearing services
Wealth management business	Includes dealing in financial products

Income for each segment has been specifically identified, expenditure, assets and liabilities are either specifically identified with individual segments or have been allocated to segments on a systematic basis. Based on such allocations, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Revenue contributed by any single customer in any of the operating segment, whether reportable or otherwise, does not exceed for percent of the Company's total revenue

Reportable segments

An operating segment is classified as reportable segment if reported revenue (including inter-segment revenue) or absolute amount of result or assets exceed 10% or more of the combined total of all the operating segments.

Accordingly the Company is considered to operate in 'Capital Market' and 'Wealth Management' segments.

Secondary segment

Since the business operations of the Company are primarily concentrated in India, the Company is considered to operate only in the domestic segment and therefore there is no reportable geographic segment.

The following table gives information as required under the Indian Accounting Standard - 108 on Segment Reporting.

Sr. No.	Particulars	For the year ended March 31, 2023	For the year ended March 31, 2022*
l.	Segment revenue		
	Capital market	2,636.96	2,584.24

(Currency: Indian rupees in millions)

2.34 Earnings per Share

in accordance with Indian Accounting Standard 33 on Earnings per share as prescribed under Section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014, the computation of earnings per share is set out below:

	Particulars	For the year ended	For the year ended
	raticulais	March 31, 2023	31 March 2022
(-)	Shareholders earnings	978.58	630.63
(a)	(as per Statement of Profit and Loss)	370.30	650.65
	Less: dividend on preference share including dividend distribution tax	Nil	Nil
	Net profit for the year attributable to equity shareholders	978.58	630.63
(b)	Calculation of weighted average number of equity Shares of Rs. 10 each		
	Number of shares outstanding at the beginning of the year	62,67,500	62,67,500
	Number of Shares issued during the year	_	-
	Total number of equity shares outstanding at the end of the year	62,67,500	62,67,500
	Weighted average number of equity shares outstanding during the year (based	62 67 600	62.67.500
	on the date of issue of shares)	62,67,500	62,67,500
c)	Number of dilutive potential equity shares		-
d)	Basic and diluted earnings per share (in rupees) (a)/(b)	156.14	100.62

The basic and diluted earnings per share are the same as there are no diluted potential equity shares.

Basic earning per share (EPS) is calculated by dividing the net profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

During EPS is calculated by dividing the net profit attributable to equity holders of Company (after adjusting for interest on the convertible preference shares and interest on the convertible bond, in each case, net of tax) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

2.35 Contingent liabilities, Capital commitments and lease arrangements

A. Contingent liabilities (to the extent not provided for)

a) The Company has provided bank guarantees aggregating to ₹ 14,500.00 million (March'22: ₹ 10,695.00 million) as on 31 March 2023 to The National Stock Exchange of India Limited for meeting margin requirements.

The Company has pledged fixed deposits with banks aggregating of ₹4,400.64 million (March'22: ₹ 3,435.57 million) as on 31 March 2023 for obtaining the above bank guarantees as per sanction terms.

b) The Company has provided bank guarantees aggregating to ₹NfL million (March'22: ₹ 5.00 million) as on 31 March 2023 to The Bombay Stock Exchange of India Limited for meeting margin requirements.

The Company has pledged fixed deposits with banks aggregating of ₹NIL million (March'22: ₹ 2.55 million) as on 31 March 2023 for obtaining the above bank guarantees as per sanction terms.

c) The Company has claims not acknowledged as debts of ₹Nil million (March'22: ₹22.50 million).

The Company has received demand notices from tax authorities on account of disallowance of expenditure for earning exempt income under Section 14A of Income Tax Act 1961 read with Rule 8D of the Income Tax Rules, 1962. The Company has filed appeal/s and is defending its position. Based on the favourable outcome in Appellate proceedings in the past and as advised by the tax advisors, Company is reasonably certain about sustaining its position in the pending cases, hence the possibility of outflow of resources embodying economic benefits on this ground is remote.

There are no obligations as on 31st March 2023 other than those disclosed above and in note 2.11A.

(Currency: Indian rupees in millions)

2.35 Contingent liabilities, Capital commitments and lease arrangements

A. Contingent liabilities (to the extent not provided for) (Continued)

- d) Trading member V-rise
- 1. NSE Clearing Ltd (NCL) conducted an inspection in the matter of trading member Vrise Securities Pvt Ltd and issued a show cause notice to Nuvama Clearing Services Ltd (Formerly Edelweiss Custodial Services Ltd) (NCSL). The MCSGF Committee of NSE Clearing Limited issued order to reinstate securities worth Rs. 293.3 million. NCSL had filed an appeal against the impugned order of NCL with Securities Appellate Tribunal (SAT) and SAT by its order had granted a stay on the matter. The matter has been listed for further hearing. NCSL has assessed such liability to be remote. Accordingly, there is no adjustment required in the financial results for the quarter ended March 2023.
- 2. NCSL has challenged an order, by an investigating agency, marking lien on its clearing account, before the 47th Additional Chief Metropolitan Magistrate Court, Mumbai. Since the investigation against one of the trading member for which NCSL was a Clearing Member was under process, the Court contended that it had no objection to setting aside the lien order issued by the investigating agency, upon NCSL providing an undertaking to keep sufficient assets unencumbered. NCSL has since provided undertaking to keep sufficient assets amounting to Rs. 4,606.9 million unencumbered and the said lien order has been set aside. Subsequently, the Misc. Application filed by NCSL before 47th Additional Chief Metropolitan Magistrate's Court at Esplanade, Mumbai has now been transferred to the City Civil & Sessions Court under M.P.I.D. Act. The matter has been listed for further hearing.

NSE Clearing Ltd (NCL) had conducted an inspection in the matter of trading member Anugrah Share & Brokers Pvt Ltd (Anugrah) and issued a show cause notice to NCSL. The MCSGF Committee of NCL has directed NCSL to adhere to instructions of National Stock Exchange / NCL. NCSL filed an appeal against the impugned order with Securities Appellate Tribunal ("SAT") and SAT by its order had granted a stay on the matter. The matter has been listed for further hearing.

Various Arbitration/Writ Petitions have been filed before the Hon'ble Bombay High Court ("Hon'ble Court") by various end clients of Anugrah against Anugrah and its associates. NCSL has been made party to the same. Some of the Writ Petitions have been tagged together and common orders have been passed to be heard together. The matters are under process for further hearing.

NCSL believes that it has acted in accordance with the agreement entered with the trading member i.e. Anugrah and in accordance with applicable laws and regulations. Accordingly, there is no adjustment required in the financial statement for the year ended March 2023.

C. Capital commitment (to the extent not provided for)

Estimated amount of contracts remaining to be executed on capital account and not provided for Rs. 4.96 million (March'22: Rs. 1.78 million).

2.40 Risk management framework:-

a) Regulatory controls

Introduction and risk profile

The Company's overall objective is to manage its clearing business, and the associated risks, (such as credit risk, liquidity risk, market risk, operational risk etc.) in a manner that balances serving the interests of its customers and investors and protects the safety and soundness of the Company.

The Company is regulated by SEBI & respective exchanges with special focus on trade clearing, client fund/security management, exchange & client reporting etc. The Company strives for continual improvement through efforts to enhance systemic & manual controls, ongoing employee training and development and other measures.

Risk Management Structure

The Company has a well-defined risk management process framework for risk identification, assessment and control in order to effectively manage risks associated with the various business activities. The risk function is monitored primarily by the business risk group. At the Company level, there is a 'Global Risk Group' which is responsible for managing the risks arising out of various business activities at a central level.

The Company's multi-level risk management process ensures that the margin monitoring processes withstand market volatility. As a result, the Company follows strict margin call process and limits are set and monitored on an ongoing basis.

The Company's board of directors have overall responsibility for the establishment and oversight of the Company's risk management framework. They are assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

Risk mitigation and risk culture

The Company's business processes ensure complete independence of functions and a segregation of responsibilities. Client introduction, client on-boarding, credit control processes, centralised operations unit, independent internal auditors for checking compliance with the prescribed policies/processes at each transaction level are all segregated. The Company's risk management processes and policies allow layers of multiple checks and verifications.

b) Approach to capital management

The primary objectives of the Company's capital management policy are to ensure that the Group complies with externally imposed capital requirements.

The Company is regulated by Securities and Exchange Board of India ("SEBI") and various Exchanges. It complies with the rules laid down by the regulator and the Exchanges.

Particulars	As at	As at
i di dicasora	March 31, 2023	March 31, 2022
Share holders fund + Reserve (net-worth)	3,867.56	2,954.24

2.41 Credit risk

Credit risk arises when a customer or counterparty does not meet its obligations under a customer contract or financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables. Company has no significant concentration of credit risk with any counterparty.

The Company's management policy is to closely monitor creditworthiness of counterparties by reviewing their credit ratings, financial statements and press release on regular basis.

The Company's financial assets are subject to the expected credit loss model are only short-term trade and other receivables. All trade receivables are expected to be collected in less than twelve months. Company applies the expected credit loss model for all financial assets and simplified approach for trade receivables for recognition of impairment loss. Expected credit loss allowance based on simplified approach in respect of receivables is computed based on a provision matrix which takes into account historical credit loss experience.

Notes to the financial statements (Continued)
For the year ended March 31, 2023

(Currency: Indian rupees in millions)

Market risks

Risk which can affect the Company's income or the value of its holdings of financial instruments due to adverse movements in market prices of instrument due to price risk.

The Company is a professional clearing member. The client trades as executed by broker (trading member) are settled by the Company. The client & its broker keeps sufficient margin in the form of cash, fixed deposits, bank guarantees, etc. as per the prescribed norms of the exchanges. The same is onwards kept on the respective exchanges. Margin calls are made daily in the normal course of trading hours so as to adequately cover client positions. All trades are confirmed to automated straight through process to the client and/or its custodian. Default if any devolves on either client or the custodian. Hence, there is no market risk to the Company as a professional clearing member.

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the level of individual investment in prices of financial instruments.

Liquidity Risk:

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances.

Liquidity risk emanates from the mismatches existing on the balance sheet due to differences in maturity and repayment profile of assets and liabilities. These mismatches could either be forced in nature due to market conditions or created with an interest rate view. Such risk can lead to a possibility of unavailability of funds to meet upcoming obligations arising from liability maturities. To avoid such a scenario, Company ensures maintenance of adequate Liquidity Cushion in the form of Fixed Deposits, Mutual Funds, Cash etc. These assets carry minimal credit risk and can be liquidated in a very short period of time. Further, Company has undrawn bank facilities and liquidity support from its holding company.

The Company had access to the following undrawn borrowing facilities at the end of the reporting year

Particulars	As at March 31, 2023	
Liquidity support arrangement	9,000.00	9,000.00

There is no committed lines from bank as on March 31, 2023 and March 31, 2022
